FOOTBALL FEVER

As World Cup was so hot between June and July, we hosted a happy hour on 1 July. We watched two live matches of “England vs Portugal” and “France vs Brazil” in a bar.

Over 50 participants aged from 10 years old to 60 years old joined us on the day! The room was packed with football fans who shouted “Beckham, Zidane, Ronaldo”. The atmosphere was very exciting. From the photo, you could see how nervous we were during the penalty knock-out stage between England and Portugal. Their mouths are so BIG.

Newly Elected Ex-Com Members for 2007

On 10 September, it marked another sufficient page of our beloved Chapter's history. The Executive Committee Members for year 2007 were successfully elected that day!

Congratulations to PE Jojo, VPE Leo, VPE Theresa, HSE Perry and HTE Angela for their great success.

Over 100 members from SJC and other LOMs attended the AGM with up to 50 staying for dinner in the September MFG.

OCs had brought us some exciting games that evening with the climax in the end where Ex-com elects were asked to invite partners to "Dance in Action". NAEO Alex and P Novel's greasy swings and swam lake turns had won everyone's big hands!

Another 2 great new members joining our SJC family that evening. Welcome on board, Thomas and Albert!

Love in Action! We look forward in having a remarkable 20th Anniversary for Sha Tin Junior Chamber.

So Useful! Joint July MFG

I am very honored to be the Chairlady of the Joint July Monthly Fellowship Gathering - "Break Your Habits Or Break Your Bones" with the Dragon Junior Chamber.

I am proud of the Organizing Committee Members: Foley, Zenith, Sandy and Kathy who were very efficient and completed everything on schedule. We had a successful MFG with more than 40 members and friends participating.

Congratulations to our new inducted members, Add, Clara and Ivy. With the support from Supervising Officer VP Jojo and helpers HS Lena, MAO Edward and Clara, the event was successfully held.

Deepest thanks to Sandy who had invited an excellent speaker Ms. Anna Young who gave us a wonderful and useful talk. Now we realize it's very important to have good posture so as to avoid breaking our bones!

Meet this Funny Guy - Lok

I have joined SJC since January 2006. Here I can know more new friends and learn more interpersonal communication skill. I feel that SJC spirit is very meaningful, hence I will contribute myself to SJC. In some SJC projects, I learnt more teamwork spirit. Friendship is my great treasure in SJC. I have no hesitation to recommend SJC to my friends. Finally, from my heart: "I love JC forever!"

Mid-Summer FUNNY Boat Trip

Everyone, please listen: It's my FIRST time! I had never organized activity like this scale before. Luckily, IPP Jessie and HS Lena gave me their hands. Thank you, pretty gals! Hope you all had FUN.

The weather was not very good that day. It was raining cats and dogs in the morning. A bad start? Seems not! Mr SunShine came out for a little while later.

The site was nice and was chosen by Suzanne, Pang's wife, who is fond of water sport. There was coral underwater. Nevertheless, no rose without a thorn. The coral near the coastal line hurt both Leo's son and my leg. A scar left there till now. How about you, little Leo?

SJC members in TOYP Selections 2006 Organizing Committee

This year we are especially grateful to have PP Migi and IPP Jessie as subcommittee chairmen of one of the most prestigious projects of JCI Hong Kong – TOYP Selections 2006.

The first kick off was the Press Conference on 17 June where HS Lena and JC Ellen from our Chapter were subcommittee OCs as well. Over 10 of our members joined the activities as helpers to explore and gain more experience in such sizable event.

Once again, SJC members' good performance was well recognized by NOM and LOMs!

Swiss Culture and Chocolate

Curiosity or chocolate attracts so many participants? Almost 40 people from Hong Kong, Switzerland, Germany, South Africa, and Austria enjoyed the August Happy Hour Gathering and indulged themselves with different chocolate and information about Switzerland. Learned the differences between dark, milk and white chocolate and tasted the sweets.

Do you know what the Swiss or Hong Kong flag stands for? The small country in the middle of Europe is famous for mountains, cheese, banks, chocolate and the people who knew about Switzerland and were fast enough to answer the questions won prizes and souvenirs.
